Tax Credit

*According to EmployerIncentives.com, 15% of employees will qualify for federal and state Work Opportunity Tax Credit programs. These programs provide tax credits per eligible hired employee. Tax credits are based on how many hours the employee works and how much they are paid. ClearCare's background check process automatically checks if your employee is eligible.

Auto-eligibility
check:
FREE
Per credit fee:
20%

*Motor Vehicle Record (MVR) check

Additional screening services available to meet your specific needs. Call us for more information. Terms apply. Pricing subject to change and sales tax. All prices are in US dollars.

Protect your agency and clients with a single click.
